PREVIEW FROM HOST LODGE

NATHAN GATES - HOST LODGE COORDINATOR

Tsali Lodge is very excited to be hosting Cornerstone Conclave this April 23-25 2021 at Camp Daniel Boone. The theme for this year's Conclave is "True Service Always Lives Inward" symbolizing doing cheerful service to others from within oneself. All events throughout Conclave will be Covid-friendly, ensuring the health of all participants.

The safety of participants, members, and staff is the Host Lodge's top priority in conducting Cornerstone Conclave this year. Please review the Code of Conduct before attending to be sure of all of the reasonable requests. Frequent hand washing, mask wearing at all times, and social distancing are the major item attendees need to follow. Be sure to check your temperature before departing for Conclave.

Reminders: There will be NO signal and NO Wifi at Camp Daniel Boone. There is NO electricity in campsites and generators are NOT permitted at camp so, plan to bring extra battery packs. The Host Lodge is also asking that attendees carpool as much as possible and as safely as possible for those who are carpooling. This allows the check-in process to move quickly while having to take temperatures. Tsali is ready to help, Tsali is ready to serve, and Tsali is ready for you!

COVID PROCEDURES

HEALTH & SAFETY AT CONCLAVE

Mindful of health and safety at conclave, here's a few reminders about the event's COVID procedures! Every delegate is required to provide to their lodge an updated BSA Medical Form & COVID-19 Waiver, and all lodges will submit their forms and waivers at their contingent check-in. Temperature screenings will be taken as vehicles enter the camp facility. As vehicles are temperature screened, anyone with a temperature 100.04 degrees or more will be unable to enter the event as well as anyone riding in their vehicle. Masks and face coverings are required to be worn throughout the event's duration with exception to directly eating or drinking. Within each ditty bag will also be a conclave mask and sanitizer, as well, and Arrowmen are encouraged to wear this mask throughout the weekend. Lodges are requested to bring at least one (1) thermometer to help with temperature screenings leaving the event to assist contact tracing purpose. Social distancing will be enabled throughout the weekend, and Arrowmen are encouraged to be mindful of potential symptoms and illness leading into the weekend. If you cannot locate your COVID Waiver, contact your Lodge Chief / Adviser and visit sr5.org to print a new waiver under the **Document Library** tab.

DON'T FORGET TO WEAR YOUR MASK, WASH YOUR HANDS, & SOCIAL DISTANCE

TRAINING PREVIEW

COLE TAYLOR - TRAINING

This year, we completely changed our training initiative by removing judging and inviting highly qualified and experienced trainers. Additionally, we put together a list of relevant training topics that will span the full range of experience and duration spent in the Order. We will also feature some roundtable discussions as part of our training offerings including a Turtle Talk from our section officers. Overall, we are looking forward to providing a great new training experience for everyone at conclave this year. LODGE THEMES

CATAWBA 459

ROBERT SEATE- CATAWBA CHIEF

This year, Catawba Lodge has chosen the phrase "Turning the Corner" as our theme for this Conclave. The lodge flap details a Scoutmaster and his Scouts looking over mountains with a sunrise quickly approaching. The lodge dangle depicts our Lodge mascot Meck with a mask on giving a thumbs up with a sunrise in the background. The sunrise that is present in each of the patches represents newfound hope in the return to safely gathering with our friends, family, and Brothers. Catawba Lodge is excited to participate in Cornerstone Conclave this year as it will be the largest event for us since the pandemic started in March of last year.

ATTA KULLA KULLA 185

JOSHUA KIRCHNER - AKK CHIEF

Atta Kulla Kulla is proud to announce its theme for the 2021 Cornerstone Conclave to be Appalachian. This means we will be dressing up like the Good ole Boys! AKK chose this theme after taking in themes created by the Lodge, the officers voted on which theme would be the most fun and that we could easily do. All members of AKK are excited to compete with the other Lodges of SR-5! To the left is the patch design. Can't wait to see the other designs from the other Lodges.

LODGE THEMES

BOB WHITE 87

PARKER POWELL- BOB WHITE CHIEF

The Bob White Lodge's Cornerstone Conclave theme is COCO. With inspiration from the Disney Film and the abbreviation made from the first-ever Cornerstone Conclave: COCO. The Bob White Lodge will be sending a contingent with spirit items revolved around the Day of the Dead. We are excited to welcome you to COCO with our new spin on the rebrand of our Conclave!! Our patch set has two flaps: our delegate patch has a pink border and our trader has a green border.

TSALI 134

SAMUEL BROWN - TSALI CHIEF

As the host lodge for the 2021 Cornerstone Conclave, Tsali Lodge's theme for our Conclave patches this year is the same as the overall Conclave theme, "True Service Always Lives Inward." The idea for this theme came from our Host Lodge Committee who wanted to inspire a future generation of Arrowmen to find how they can best serve their fellow scouts by using their own personal skills and talents.

Our patch set features a scenic view of the mountains near Camp Daniel Boone with the sun rising over the Inaugural Cornerstone Conclave. This design is also seen on the Conclave participant patch. There are three different flap borders, a blue delegate flap, a red service lodge flap, and a green workdays flap in addition to a dreamcatcher dangle.

I can't wait to see you all at the 2021 Cornerstone Conclave, April 23-25 at Camp Daniel Boone!

LODGE THEMES

SKYUKA 270

COLE TAYLOR - SKYUKA CHIEF

Based upon the internationally famous painting show hosted by Bob Ross, Skyuka Lodge's 2021 Cornerstone Conclave theme is the Joy of Brotherhood. With this theme, we plan to embody the spirit of Bob Ross and his joyous attitude, especially in our case, the joy of the brotherhood we all share in the Order of the Arrow. After a very dull year with limited Scouting events, we are looking forward to bursting with color at Camp Daniel Boone and spreading the joy. Featured below is our "work of art" 2021 Delegate flap and accompanying easel.

ESWAU HUPPEDAY

AARON LAWS - ESWAU CHIEF

This year our annual theme and the theme for Cornerstone Conclave is Mad Max. Our theme will be focused on both the old and newer mad max movies that have come out since 1979.

LODGE THEMES

ITIBAP 188

ANDREW ADLER- ITIBAP CHIEF

This year, Itibapishe Iti Hollo chose their Conclave theme to be electricity. This is a part of this year's theme of the elements (e.g. water, air fire, etc.). Our Conclave patches show two Tesla coils making a beaver with electricity with a nice blue border on the delegate patch and a neat yellow border on the trader. Our shirts are black with a yellow lightning bolt going across it like an OA sash and the event, our lodge name, and the year. The back shows the lightning beaver on our patches in yellow and says "Itibap 188". Our spirit items this year are blue foam lightning bolts. Itibap looks forward to being a lodge that is strong in spirit this year.

UNALI'YI 236

JACKSON BOGGS - ESWAU CHIEF

Unali'Yi Lodge could not be more excited for this year's Section Conclave because this year we have all become entrepreneurs and stock market brokers! Our theme this year is Business! We are taking inspiration from all aspects of the business world: Wall street, Corporations, banks, and small business. This theme came to our minds when a lodge member brought it up at our LLD Weekend. Spirit items you might see from our lodge are business attire, briefcases, fat stacks of cash, and you might even see one of our employees handing out business cards for Unali'Yi Incorporated.

CHIEF'S CORNER

FROM THE SECTION CHIEF

Cornerstone Conclave 2021 is here! In just a few short days we will be gathering at Camp Daniel Boone to celebrate the fellowship among SR-5 lodges, compete in section-wide activities in the Quest for the Golden Arrow, experience outstanding training educating our lodge leaders, and building community between our ten lodges. As we've been unable to gather since 2019, we are excited to safely welcome Arrowmen from across the area this weekend. Behind the scenes, there has been an outstanding team of leaders within Tsali Lodge who have worked tirelessly to prepare and build a successful conclave program, as well as our group of section coordinators who continue in service to bring an exciting, enjoyable and fun program as we gather at Camp Daniel Boone next weekend. We greatly appreciate each member in Tsali Lodge as well as our section coordinators and advisers who have worked so hard to plan and prepare these past several months. Some new highlights to look out for this year will include a new hybrid shows model, where our weekend shows will be a mixture of both live entertainment and also virtual components never seen before at our conclave programs. This year also brings a new conclave-wide game and scavenger hunt in the Cornerstone Challenge! Arrowmen will have the opportunity to complete objectives in the challenge and receive a commemorative challenge patch once complete. We are excited to see you at Camp Daniel Boone next weekend, and can't wait to experience Cornerstone Conclave 2021 with you! Don't forget to pack your favorite patches for trading, get ready to compete in Quest for the Golden Arrow, and bring the excitement as each lodge competes for the Spirit Award. Get excited and we will see you this weekend!

Yours in the Spirit of Cheerful Service,

Robert Bolton, Jr. | SR-5 Section Chief, 2020-21
