Brothers,

While our summer camping season is coming to an end and we hate to see it go, your section leadership is excited to begin and continue the planning process of the 2019 Dixie Fellowship hosted by Eswau Huppeday Lodge 560 at Camp Bud Schiele. On behalf of SR-5, I would like to congratulate all of the new Ordeal members that have been inducted over the summer season and welcome you to the Brotherhood.

We look forward to seeing each of our new and older Brothers soon! Be sure to read our entire Post-NOAC Five Feathers to catch-up on the latest happenings in SR-5.

Yours in Cheerful Service,
Cole Taylor, Section Chief

Matthew Watson Receives DSA

While at the 2018 National Order of the Arrow Conference, Matthew Watson formally received the Distinguished Service Award. Matthew Watson has been an active member of our section and strong Order of the Arrow advocate in his various capacities including Immediate Past Atta Kulla Kulla Lodge Chief, Past Section SR5 Chief, and 2017 OA Indian Village Jamboree Vice Chief.

SR5 Wins Big in American Indian Activities at NOAC

At the 2018 National Order of the Arrow Conference, SR5 showed the national what it has to offer in American Indian Events. While at the conference, SR5 was named home of 13 Top Ten dancers, five of which placed in the top three of their style, the National Champion Sing Team, the top three Historical Group Dance teams, and two of the top three Pow Wow Exhibition Group Dance teams.

SR5 Represented Well

At the 2018 NOAC, SR5 was represented well by having all 10 lodge Chiefs in attendance. In addition to the 10 lodge chiefs, each lodge in SR5 sent a contingent to Indiana University making SR5's representation over 150 brothers strong. Shown in the picture below is eight of the ten Lodge Chiefs and Section Chief Cole Taylor. Missing are the Catawba Lodge and Unali'yi Lodge Chiefs who were supporting our lodges in the American Indian Activities competition at the time the photo was taken. Also depicting SR5's great delegation are the images on the first page of this issue showing all ten contingents from SR5.
