ESWAU HUPPEDAY LODGE #560 LODGE HISTORY

Our Lodge, bearing the national registration number 560, was one of the last Lodges to be chartered, although the Piedmont Council had been in existence since the early days of Scouting. Because the council leadership at that time was not well disposed towards the OA it was 1964 before our lodge was chartered and organized.

On August 15, 1964, Mr. A.C. Bowman called the first business meeting of the Piedmont Council Order of the Arrow Lodge to order. During this meeting, training was conducted, officers were elected, committees were appointed, and the Lodge name and totem were chosen. At 4:10 PM, the group assembled and the Lodge officers were nominated. After the nominations, the Lodge name committee met to consider the suggestions for a lodge name, and after supper, officers were elected as follows:

- Lodge Chief — Dave Cone, Gastonia
- Lodge Vice Chief — Flay Anthony, Bessemer City
- Secretary — William Poston, Mooresville
- Treasurer — Nick Posey, Statesville
- Historian — Dave Kelly

After officer elections, the Lodge name committee submitted three choices for selection by the Lodge:

- Kanoneski Amaiychit, which means Water Spider
- Tsungani, which means Excels Above All
- Eswau Huppeday, the Catawba name of the Broad River

After a vote, it was declared by a wide margin that our Lodge name would henceforth be Eswau Huppeday.

The Lodge continued to grow. The Lodge attended it's first Dixie Fellowship at Camp Coker near Florence S.C. on April 23-25, 1965, where Eswau Huppeday won the Camping and Camp Promotion Discussion award. On April 22-24, 1966 we hosted our first Dixie Fellowship at old Camp Schiele in Tryon. We hosted the event at Camp Schiele again in April of 1971 and 1978.

More growth took place as our first Vigil Honor members were selected in December of 1970. They were A.C. Bowman and Tom Jackson, who helped found the Lodge, and served as Lodge Advisor, and Lodge Chief, respectively.

At the Dixie Fellowship in 1973, the Lodge entered its first Dance Team competition after some years of individual regalia entries, placing a surprising second. We competed again in 1974, placing third with the Hopi Butterfly Dance. We did not compete again until 1977, at which time we placed first in group dance with the Jemez Flower Dance. In 1978, we won with four Seminole social dances, and in 1980 with four Cherokee animal dances. After winning the title three consecutive years, we retired the Dance Team Plaque in 1979. In 1981 we placed second in the Dance team competition, then returned to our winning ways with a first place finish in 1982 at the Dixie Fellowship. Eswau also added a second place in overall outfit competition in 1978 and first place in 1979, 1980, and 1981. We also added many place finishes in the individual Outfit and Dance competition in 1979, and a first in the Training Award in 1980.

In 1982, sections were realigned and Eswau joined Section 7. That year we attended the Conclave in North Carolina as well as the last (for us) Dixie Fellowship. The same year we won second place in the Dance Team competition. In 1983, the ideas originated as Eswau won the Spirit Award, using a Think Pink theme. We also won the Section Camp Promotions Award, and the Dance Team Plaque. Our Lodge placed third in the nation in Dance Team competition at the National Order of the Arrow Conference that year. In addition, one of our dancers, Kevin Gantt, placed second in the nation in Old Style dancing. Our Lodge was also presented the E. Urner Goodman Camp Promotions Award.

In the following years we followed up the now legendary Think Pink with Follow the Yellow Brick Road, Orange Your Glad You're Eswau, Surfin, Eswau Pirates, and Dinosaurs. Eswau also hosted the National Indian Seminar in 1984 at Camp Bud Schiele. In 1986, Kevin Gantt finished first once more in individual old style dancing and he tied for first in the nation at the National OA Conference. These winning ways have continued with the Dance Team placing first in the Section competition for eight of the past nine years (we did not compete in 1985), and second in the nation at both the 1988 and 1990 National Conferences. Our performance in the 1988 competition also won us the honor of helping to staff the OA Indian Village at the 1989 National Jamboree at Fort A.P. Hill in Virginia. Individual dancers also excelled with Darin Gantt following in his brother's footsteps by winning first place in the old style dancing competition at the 1990 NOAC.

Eswau Huppeday celebrated its 25th anniversary in 1989 and had a yearlong celebration in 1994 to commemorate its 30th anniversary. Also in 1994, Eswau joined the new SR-7 region after sections were realigned in 1993. Our dance team finished first in the section at the first SR-7 Conclave in 1994 and our ceremonies team competed as well.

Also in 1994, Eswau Huppeday Dance Team again competed at NOAC and finally, after many years of hard work and focused effort, took the title of National Dance Team Champions. Additionally, many team members excelled in individual grass dance competition. Most notable were Jason Pope, Chris Manuel, and Danny Thain.

In 1995, 1996, and 1997 we have again taken the first-place title for team dance at the SR-7 Cardinal conclave, setting the stage for more years of uninterrupted success. In 1996, 1998, and 2000 Eswau once again claimed the title of National Champions of team dance at NOAC.

16 Boys

They Camped Into Scout Order

By JERRIE NEWMAN
Gazette Staff Reporter

With mystery, with ceremony, and with a nod to the camper qualifications attained in past years, 16 boy Scouts of the Carver District became members of the honorable Order of the Arrow at Camp James at Crowder's Mountain over the weekend.

The Order of the Arrow is a national honor campers society open to Boy Scouts who show their dedication to the ideal of cheerful service to others.

It is steeped in ritual, based on Indian lore.

Any boy who becomes eligible must have had 15 days and nights of scout camping, earned a First Class Scoutmaster badge, and go through the Order of the Arrow ordeal.

The 16 who met these qualifications at Camp James were led through a pre-induction ceremony Friday night, spent a night under the stars, went through the obligatory period of silence and meditation, and spent a day of hard work to show their willingness to help others.

Saturday night, in culmination, four Scouts who were already members of the order, assisted in the initiation with Scout Executive Lewis Barnes.

The 16 Scouts initiated were: Ernest Heiser, Michael Mauney, Silver Falls, Troop 49, Beasler City; Thomas Briggs and Vincent Floyd, Troop 71, Belmont; Lawrence Buchanan and Cy G. Davis, Troop 17, Gastonia; Curtis Frederick, Donald Gore, Terry Price, Robert Surratt, Sunny Adams, Leon Friday, Troop 307,

Hickory; Houston Sheppard and Alexander Foenstater, Troop 78, Bessemer City.

Henry Reeves, Carver District professional Scoutmaster, was also initiated, since any adult who directs and assists must have been through the order's ordeals.

The four boys assisting in the initiation are from Gastonia. They were Tim Carter, Troop 317; Eddy Wallace, Troop 318; Michael Rowden, Troop 7; and Chip Petty, Troop 6.

During the day of work, the Scouts cleaned the Camp James site, removed diseased trees, prepared the dining hall for the camp which opens next Sunday; dug trenches for water lines, made latrine pits, carried tent poles, and cleaned brush.

Annual report of Piedmont Council 1965

BOY SCOUTS OF AMERICA

PIEDMONT COUNCIL, INC. (420)

Box 1059, Gastonia, North Carolina

January 19, 1965

Dear Fellow Scouters:

As leaders of the Piedmont Council we would like to pause for a moment to look at what we have done with our charge this past year.

Schiele Scout Reservation received a good bit of attention. We built a new swimming dock, a boat dock, opened seven tent camp sites. The program was planned so every Unit could plan its own activities according to their needs. We even received an "A" Rating from the National Council on our camp and its program.

We organized an Order of the Arrow Lodge and the boys named it the Eswau Huppeday. This is an organization of honor campers built on service to others.

Your Council Service Center was remodeled on the inside. If you get the chance, drop by and see it.

The Fall Round-Up took on a different look. It included program, adding leaders, training, as well as giving boys an opportunity to join the movement. We launched a program to recognize leaders doing an outstanding job with the "Leaders Belt Buckle Award."

Our Professional Staff was enlarged by two men. We feel that this will give better service to our units.

We are still looking for a suitable camp site for the future. The Camp Site Committee has looked at several sites, but as yet the right place has not been found.

Our potential in the Piedmont Council is great. The importance of Scouting in preparing boys for their future was never greater than it is now. 85% of the boys in our Council have no Unit to join or have not been invited to join. At the rate we are extending our outreach, the great majority of these boys will grow up and out of the Scouting age without having the opportunity to belong. We need to put forth our best effort to "Breakthrough for Youth" in 1965.

Yours for better Scouting.

Sincerely,
The Piedmont Council

Piedmont Council BSA

Dear Netami Sakima,

As a past Chief /Adviser of Eswau Huppeday Lodge I would like to invite you to be our guest at the Chief / Advisor Forum during the fiftieth anniversary celebration at the annual fall fellowship of our lodge. The event will be held at Camp Bud Schiele 668 Boy Scout Road, Rutherford- ton, North Carolina 28139 Saturday September 13, 2014.

The schedule of events for the Lodge Chief Forum include a meet and greet at 11:00am at the camp dining hall followed by lunch at 12:00. Weather permitting we will move to the camp amphitheater at 1:00 to be- gin the forum. During the forum we will introduce you to the lodge and ask that you share some of your experiences while lodge chief. We will also have some moderated questions for the entire group of chiefs to respond to. Upon completion of the forum we will assemble as a lodge to take a fiftieth anniversary lodge picture with all of the lodge chiefs front and center.

Our lodge has had 40 lodge chiefs during our fifty year history and in recognition of this milestone will be putting together a lodge chief book- let with your information to pass out to all of the participants. Enclosed or attached please find an information sheet for you to fill out. You may email this back to me at kevingantt@charter.net or send it to me in the mail at 2237 35th Avenue Drive NE Hickory, NC 28601. You may also include a then and now photo of yourself if you like. You may also reach me at (828) 256-7517 or (828)228-1090 to RSVP or with questions.

Even if you can not attend please help us with the information and in return we will send you one of the booklets. As always you would be welcome to join us for the entire weekend of festivities, however, council policy does not allow anyone who is not registered with the BSA to stay overnight at Camp Bud Schiele during Scouting events. We can help find accommodations for you for the weekend if you would like.

I am looking forward to your participation as we celebrate this milestone in our lodge's history. If possible I would like to have all information sheets by mid August so the booklet can be compiled. Thanks in advance for your help.

Yours in WWW,
Kevin L. Gantt
50th Forum Advisor

Forward

Happy fiftieth anniversary Eswau Huppeday and welcome to the Chief/Advisor Forum. As we regard the ties of Brotherhood in the Order of the Arrow as lasting, we would like to take a look at the Chiefs and Advisers that helped develop our lodge in the first fifty years in cheerful service to the Piedmont Council.

On August 15, 1964, the first business meeting of the Piedmont Council Order of the Arrow Lodge #560 was called to order by Mr. A.C. Bowman. During the meeting, training was conducted, officers were elected, committees were appointed, and the Lodge name and totem were chosen. At 4:10 PM, the group assembled and the Lodge officers were nominated. After the nominations, the Lodge name committee met to consider the suggestions for a lodge name. After supper the first Lodge officers were elected as follows:

Lodge Chief	Dave Cone, Gastonia
Lodge Vice-Chief	Flay Anthony, Bessemer City
Secretary	William Poston, Mooresville
Treasurer	Nick Posey, Statesville
Historian	Dave Kelly, Valdese

After officer elections, the Lodge name committee submitted three choices for selection by the Lodge: Kanoneski Amaiychit, which means "Water Spider" Tsungani, which means "Excels Above All" Eswau Huppeday, the Catawba name of the Broad River. After a vote, it was declared by a wide margin that our Lodge name would henceforth be Eswau Huppeday.

My hope is that this Forum and the compiling of information from our Chiefs and Advisers will act as a base line of historical information to enable our Lodge to compile an accurate history of the first fifty years. I am also hopeful that the Forum would provide inspiration to young arrowman and adult Scouters who would choose to lead and advise our Lodge in years to come.

Although attempts have been made to reach our past chiefs we have been unable to find contact information for a few and some have not responded to our requests. You will find notes in the following pages to that end and if you ever have opportunity to add information to what is presented, your input would greatly be appreciated.

I would like to offer thanks to the following brothers who have helped me on this project to date, Ed DeTorres, Ken Manuel, Roy Hamme, Jimmy Arthurs, David Cody and Layton Gantt. I would also like to thank Lauren Gantt for her help in putting together this pamphlet. I hope you enjoy the Forum and the Fiftieth Anniversary Celebration of Eswau Huppeday Lodge.

Yours in cheerful service,
Kevin L. Gantt
Lodge Chief

SECTION CHIEF HISTORY

1979/1981: J. Derek Harbin

370 Court Street, Portsmouth, VA 23704 Eagle Scout, Vigil Honor, National OA Distinguished Service Award. Derek served as the 1978 Dixie Fellowship Chief.

Our lodge hosted the 1978 Dixie at Schiele Scout Reservation. Derek served as Section Chief for SE 3-B from 1979-1981.

SE 3-B was comprised of Lodges 116,134, 185, 188, 221, 236, 270, 459 and 560. The section was dissolved at the beginning of 1982 as the BSA reorganized the Southern Region.

In an era which restricted section leadership to only one officer (Section Chief) and two decades before widespread use of the internet as a communication tool, he created, produced and mailed an informative monthly newsletter, visited other lodges and led quarterly phone teleconferences which facilitated a vibrant inter-lodge communication network and transformed the Council of Chiefs into an effective leadership team for Section SE 3-B.

Derek has attended National Camp School, NOACs as a participant and staff member, NLS as a participant and staff member and National Jamborees as a participant and staff member. He was instrumental in directing and constructing costumes for the camp pageant at Schiele Scout Reservation and also Camp Bud Schiele. He served as a ceremonialist for the Brotherhood and Vigil Ceremonies and was an active member of the dance team during his youth.
