# ORDER OF THE ARROW

*"For he who serves his fellows, is of all his fellows, greatest"*

Dear Brother,

We have recently been informed on your outstanding accomplishment of becoming a Brotherhood member of the Order of the Arrow. Throughout our Order's history, the circle has widened more and more with new brothers joining the Order of the Arrow each year. You have taken an important step by completing the induction process and receiving your bars. Congratulations!

You have spent time in the Order and made a monument decision to take another pledge of service. This decision reflects your diligent cheerful service and dedication to your lodge. Your membership in the Brotherhood of Cheerful Service is now sealed in the blood you have symbolically mingled with your lodge brothers. You are to be commended for your commitment to the lodge and your willingness to expand your knowledge of the Order.

As you progress in the Order, it is our hope that you will continue to reflect on the Order and remember the traditions of the Wimachtendienk. Always seek to serve and remember all of the values that have been instilled in you throughout your journey seeking the arrow. On behalf of the Arrowmen in Section E7, we would like to extend our sincerest congratulations to you on your conversion and we wish you continued success as you move forward living by the Admonition throughout your life.
